100 YARD STEEL PLATE RANGE

This is a supervised range and only opens Sunday A.M, when a range officer is present or approved match by B.O.D.'s

The 100 yard steel plate match shoots every Sunday morning beginning with practice at 9:00 am and the match starting at 9:30. When space is available a second round may be shot. The match is generally over between 12:00 and 12:30, we have access to the range until 1:00 p.m. Exceptions to the shoot dates are Christmas and New Year's Day when they are on a Sunday. Easter and when Skeet is having a special event, as our range is in their impact zone.

Hearing and eye protection is required

The standard match consists of five (5) relays of five (5) shots for a total of twenty five (25) shots off hand (no support aids like slings or shooting sticks). The target is a steel plate (6 inch wide x 10 inch high) approximately 100 yards down range. **To count as a hit the target must be knocked off the rail on which it sits.**

Hearing and eye protection is required

Type of firearms allowed is;

Revolvers
Semi automatic's
