17. January first every year; everyone in the JOAD program is a year older.

18. We shoot 60 scoring arrows every Saturday with double scoring. Two signatures on each score card with each archer turns his/her own score card in at the desk. Score cards must be neat and legible. Weekly attendance is not required but strongly advised, as practice makes a better athlete and a better archer.

19. Last of all:

LETS ALL THINK POSITIVE: NO NEGATIVE THOUGHTS OR STATEMENTS!!!! EVERYONE WILL HELP CLEAN-UP AND PUT CLUB EQUIPMENT AWAY!!!!

Confused Simon will leave you with this quote:

“The price of success is hard work, dedication to the job at hand and the determination that weather we win or lose; we have applied the best of ourselves to the task at hand.”
