This is a great opportunity to see and shoot at other clubs, meet new people, and have fun. This is NOT a highly competitive league. It's a social thing. Ya don't have to be a competition shooter to participate. COME OUT AND SHOOT.

We'll need a minimum of 10 shooters every shoot.....THE MORE SHOOTERS THE BETTER. The top scratch and handicap teams will be determined each shoot.

Shooting consists of two rounds of regulation skeet. Cost is \$12 per shooter, with a portion being returned as end of year prizes. Shoot cost has been reduced since lunches will not be provided in order to limit large gatherings because of the COVID-19 situation. For shoots at Clairton, food will be available for purchase from the menu. Please bring face masks and follow all rules at the member clubs.

Fran Kosmacki is the GTSL President and our GTSL representative. Don, Lori & Brian Steinert will squad & score shoots at Clairton. Thanks guys.
