BACKGROUND:

In October, 2020 the Board of Directors voted to temporarily suspend taking new member applications and providing orientation sessions for various reasons. A waiting list was established for potential new members and expired members (for more than 60 days) to be notified when applications would be accepted again.

The Board subsequently voted to reopen accepting new member applications and providing orientation sessions starting in March 2021 by invitation only from the waiting list. The Board also voted to re-institute an Initiation Fee of \$100 with exceptions and to cap the total number of members.

Since the March reopening, we have worked through the waiting list and have discontinued it.

The Board subsequently approved accepting new member applications and providing orientation sessions on the second and fourth Thursdays of each month beginning in July, 2021 instead of every Thursday to minimize the work load on Staff personnel. Reservations are not required to attend orientations sessions.
