RANGE CLOSURES

MONDAY, January 10 thru FRIDAY, January 14

Closure of Ranges is required to support PEOPLES GAS CO. WORK. Peoples Gas Co. will eventually be replacing a 1948 distribution gas line that runs across club property from CCAC property to Walters Farm. This work will affect most club ranges with periodic range shutdowns to ensure the safety of Peoples workers & contractors, as noted in the last business update.

Initially, starting Monday, PEOPLES will be locating, surveying & marking the gas line and right-of-way through Club property, and will be clearing the right of way for future gas line replacement. This necessitates closure of the following ranges.

RANGES CLOSED: RIFLE RANGE, PISTOL RANGES #1, #2 & #3, ACTION PISTOL BAYS #1 thru #6, CMP RANGE, MUZZLOADER RANGE (all ranges from the top of the hill down thru the Muzzleloader Range). The Skeet Ranges may also require some periodic shutdown times (Skeet will be notified as needed).

PLEASE DO NOT ENTER ANY OF THESE AREAS. THE ROAD WILL BE POSTED AT THE TOP OF THE HILL TO DETER ACCESS EXCEPT FOR PEOPLES WORKERS.

Sorry for the inconvenience.
