

CLAIRTON SPORTSMEN'S CLUB

From the President:

Last year, the SHRINER Syria Shine Gun Club sponsored a trap league at Clairton Sportsmen's Club to help support the Erie Shrine Hospital.

The League shot once a month on Saturdays, February through November, and was open to the Shrine Gun Club members and to all of our Club members. Many members participated and had a great time.

We are proud to say that our Club helped the Syria Shrine Gun Club to contribute \$1,700 to the Erie Shrine Hospital. Congrats to our staff who helped and to our members who participated in the League. In addition, the League helps to support trap shooting at Clairton. See the letter of THANKS to the Club!

The League is returning in 2020 with the first of ten shoots scheduled for Saturday, February 22 at 10 am. Visit the Club website @ www.clairtonsc.org to see the League shoot dates and details.

Come out and shoot, support our Club, and most of all support the kids that benefit from contributions to the Erie Shrine Hospital.

11/26/2019

Dear Bill,

In behalf of the Syria Shrine Gun Club, I want to sincerely thank you and your staff for allowing our club to meet and hold league shoots during the 2019 season. We deeply appreciate the hospitality and generosity of all Clairton Sportsmen's Club personnel, including the help of the all the Trappers. We especially want to thank Tammy for preparing the excellent buffet lunch last Saturday. We feel fortunate to have raised just under \$1,700 for the Shrine Hospital in Erie. This amount was derived from trap fees, donations from our shooters, both Shriners and non Shriners, and the generosity of your Sportsmen's Club. Please convey our deep gratitude to all those at Clairton who made this possible.

Sincerely,

Dick Van Veen
Secretary, Syria Shrine Gun Club

CONTINUOUS CLUB IMPROVEMENTS
