The 2017 rifle range schedule has been drafted and can be found on the club web site under the Rifle Tab. You will see that the ranges are used for the following events: Civilian Marksmanship Programs (CMP), High Power Rifle matches, .22 rim-fire silhouette and bench-rest, CMP (.22 rim-fire sporter), cast bullet, 300 yard prone and Action Rifle.

These events are open to the general membership and are listed in NRA publications; as such, they are open to the public. Please take the time to review the schedule and plan to attend any of these events if you are interested. Matches begin at 9AM; sign-up for these events begin at 8AM, pre-registration is not required. Every effort is made to re-open the range for general use as soon as possible after the match. Some matches do have the range scheduled until 3PM, be sure to check the RIFLE RANGE closure sign at the entrance to the covered range. If the cable and RANGE CLOSED sign are across the roadway, the 300 yard line is active. This is a live fire area and NO ENTRY is permitted.

If you are interested in any of these events, below is a list of contact person and disciplines. Information may also be found in the rifle tab sub- categories on the web site.
