

Gentlemen (and Ladies):

The **SCHEDULE** for our monthly **100-Yard .22 Rim fire and Cast Bullet “Bench” Matches** for the 2018 “shooting season” is attached to this e-mail. The Matches will be held on the 4th Sunday of every month (*except* that the **October** match will be held on the 2nd Sunday of **October**). The **SCHEDULE** will be accessible on the “Club Calendar” tab on the Club’s website. I’ll also post the Schedule in the Clubhouse, at the “covered” rifle range, at the 100-Yard “Steel Plate” range, and at various other places around the Club.

The “Classes” and “Divisions” for our “Bench” Matches will be the same as they were in 2017. The **CAST BULLET** Class will have “Scoped” and “Iron” Divisions. The **.22 RIMFIRE** Class will have “Target-Scoped,” “Target-Iron,” “Vintage American Smallbore,” “Sporter-Open” and “Sporter-Limited” Divisions. The (very few) “restrictions” that apply to those various .22 Rimfire “Divisions” also will be the same as they were in 2017 and a “Summary” of those .22 Rimfire “Classes” and “Divisions” is attached to this e-mail.

The “entry fee” will be the same as 2017. That is, for \$2.00, you get 1 “practice” target for your “sighters,” 2 “scoring” targets for you score, and a score sheet. [Cast bullet targets may be different.] You will have a total of 30 minutes to shoot an unlimited number of your “sighters,” and 10 shots on each of your “scoring” targets ... for a total of 20 scoring shots (200 possible points).

The “entry fee” for you to participate in the *optional* “200 - 20X” cash-prize contest will continue to be \$1.00. The “pot” for the “200 - 20X” cash-prize contest carried over from the 2017 shooting season into the 2018 shooting season and, right now, there is **\$158** in the “pot.”

“F-Class”: We are considering adding a .22 rimfire “F-Class” Match (or a variation thereof) to our monthly Matches. Those “F-Class” Matches would be conducted *concurrently* with our “Bench” Matches, but using F-Class type targets and *basically* in accordance the Smallbore Rifle F-Class Rules used by the NRA and the “ASSA” (the “American Smallbore Shooting Association”). I will let you know how our evaluation of the feasibility of .22 rimfire F-Class Matches is progressing. Your thoughts about this would be appreciated and I will get some “F-Class” targets.

As always, if you know someone who might be interested in participating in our 100-Yard “Bench” (or “F-Class”) Matches, bring them along with you and I’ll get their e-mail address when they attend. Or else contact me, or tell them to contact me, and I’ll add them to our e-mail list.

My “contact information” has not changed and it is set forth below. Please feel free to contact me at any time if you have any questions, suggestions or other comments.
