Club air rifles will be for the use of those who need one. If you have an air rifle, you are more than welcome to use it. But understand that if the velocity of the air rifle causes damage to the targets you will have to switch to a club rifle or pull out of the competition. This match is limited to .177 and .22 caliber air rifles only.

We can make allowances for younger folks who may not be able to safely hold the rifle while standing and let them use rests. We will also allow for those with more life experience to use shooting sticks if needed. This is strictly a fun match so we will be flexible.

Until further notice, the range will be set up in the parking lot of the rifle range for this match until such time as we determine a suitable and permanent place to hold this event.

Watch the website for information or feel free to contact us.

**Entry:** Match Fee: \$3.00 / Kids 12 and under free.
