

Clairton Sportsmen's Club Air-Rifle Silhouette Match

Dates: Sunday October 1, 2017
Hosted by: Clairton Sportsmen's Club
Location: 412 Coal Valley Road - Clairton, PA 15025
Time: 9:00 AM -?

Several folks have asked so another air rifle silhouette is on the horizon.

The club air rifles will be for the use of those who do not own one. If you do have an air rifle, you are more than welcome to use it with the understanding that if the velocity of the air rifle causes damage to the targets you will have to cease shooting it and switch to a club rifle or simply pull out of the competition. This match is limited to .177 and .22 caliber air rifles only.

This is a standing position (offhand) only match. We again will make some allowances for younger folks who may not be able to safely hold the rifle while standing and let them use rests. We will also allow for those with more life experience to use shooting sticks if needed. This is strictly a fun match so we will be flexible.

We will give time prior to the match for sighting in your air rifle for the different yardages. Once the match begins for you, there will be no more sighting in, so write your sight settings down because you will have ONLY 2½ minutes to fire 5 shots at your 5 targets.

If you don't get all five shots off in the time allotted, well then, on the bright side... you just saved yourself some pellets. The targets are shot in order (left to right) and the targets must fall, if you hit but only spin the target, well then, that is miss.

Since I have not had time to ready a permanent range, we again will be set up in the parking lot of the rifle range for this match until such time as we determine a suitable and permanent place to hold this event.

In the event of rain, this match will be relocated or cancelled. Watch the website for information or feel free to contact us.

Entry: Match Fee: \$2.00 / Kids 12 and under free.
