

CLAIRTON SPORTSMENS CLUB

Fall Skeet League

All shooters, novice through expert, are welcome to join the club's skeet league. Shooters are grouped by skill level (score averages) and compete within their skill groups. Interested? Inquire at the Skeet House.

Shooter tiers are established 3-4 weeks after the start date. Once established, new shooters are welcome to join the next league when it begins. Hence, one can join the 12 gauge or .410 Bore league any time before September 11, 2019.

2019-2020 Fall League

- Sunday, August 18, 2019: league begins
- Wednesday, September 11, 2019: last day to join 12 gauge or .410 Bore
- Wednesday, December 4, 2019: league ends; last day to shoot league rounds
- Wednesday, December 11, 2019, 6:00 PM: league banquet (for those completing the league, or buying out unfinished rounds at \$2.00 per round):
 - Non-league banquet attendees (guests) are welcome, \$8.00 per person
- Email Communications: each shooter is responsible for keeping their contact info up to date. The Contact Sheet is located on desk in skeet house.

FALL 2019-2020 SKEET LEAGUE

Tier Format

Note: *This format focuses on competition, and on the individual and their continued competitive development, as well as the opportunity to compete for 1st or 2nd place within a tier comprised of shooters with a similar starting average score, plus advance to a higher average score tier in subsequent leagues. High gun overall within each class (12 gauge and .410 bore) and top shooters overall continue to be recognized for their shooting skills. Components of the league (tier format, prizes, banquets) are subject to modification with future leagues. Shooters suggestions are welcome.*

General Overview

The skeet league guidelines are posted in the clubhouse and on the club's website.

The skeet league is open to all club members. Members can join up until the Shooting Tiers are created, which is 3-4 weeks into each league. Once the Tiers are created, the current league is closed, and members are welcome to join a subsequent league.

Each Fall, Winter and Summer league consists of a comparable number of shooters being assigned to a tier. Each tier is composed from a range of shooter's averages from the previous league, or an average from participation 1 to 3 previous leagues, or a new league shooter's average after week three or four. For example, 40 shooters may breakdown into 5 tiers, 8 shooters per tier, with Tier 1 consisting of shooters whose average score is between 22.5 – 25, the range for Tier 2 could be 20 – 22.5, Tier 3 could be 18 – 20, etc.

Shooters can participate in either the 12-gauge class or .410 bore class, or both. For the 12-gauge class, 12-gauge shotguns or smaller gauges (i.e., 20 gauge or 28 gauge) can be used.

LEAGUE FEES for all members, inclusive of Junior members is \$2.00 above the club's charge to shoot a round. If both leagues, the 12-gauge and .410 are being shot, then the league fee is \$1.00 above the cost per round within each league.

Each league consists of 16 or 17 rounds, with either 1 or 2 low scores dropped for a 15-round adjusted league average. During each week, league rounds can be shot Tuesdays from 9am – 1pm, Wednesdays from 5pm – 9pm, and Sundays from 12:30pm – 3:30pm. League rounds can also be shot during off hours. Unfinished league weeks are scored as a zero (0).

Each league culminates with an awards buffet banquet. Monetary prizes are awarded to the top 2 shooters within each Tier, with the overall High Gun receiving additional payout; the overall most improved shooter; and a selection of shooters from a Modified Lewis Class selection of scores. Door prizes may also be awarded. In case of a tie for High Gun, the tie breaker is the number of targets broke.

All shooters competing in and completing all three leagues (Fall, Winter, Summer) will receive an additional award at the end of the Summer League.
